

# Mexico 2015

**God's General, Morris Cerullo, Raises Up Thousands in Mexico to Carry the Gospel to the World!**

***Tepic, Mexico Belongs to Jesus!***

**Partner,**

I just returned to Mexico to once again equip, strengthen, and encourage Mexican Nationals in Tepic, Campeche, and Tuxtla Gutierrez. More than a decade ago, God used His servant in Tepic and two other cities to leave a tremendous, spiritual deposit, which brought about a unified, powerful, Spirit-filled church.

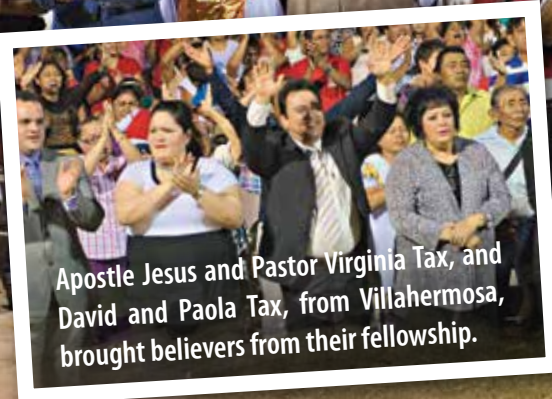

Governor Roberto Sandoval Castaneda receiving prayer and wisdom from God's servant. God revealed a deep need in his life—he was overwhelmed.

Mama and I are praying for our Partners from the *Frontliner* Legacy Book of Remembrance on our way to Tepic.

**During the entire trip, tears flowed and healings manifested as the power of God swept through crowds of up to 10,000 people. This was not the result of simple theology, but the enduring power of a living message breathed forth from God.**

## ***Campeche, Mexico Belongs to Jesus!***

Apostle Jesus and Pastor Virginia Tax, and David and Paola Tax, from Villahermosa, brought believers from their fellowship.

Apostle Cesar Roman May Ake recounts the experience he had at the 1984 School of Ministry. Apostle Roman actually felt his whole body quake as God took him from timidity and fear to the boldness of the Day of Pentecost through this ministry. He went on to do great exploits.

# Tuxtla Gutierrez, Mexico Belongs to Jesus!

Mama and I received a warm welcome at the airport. The Tuxtla Gutierrez indigenous people used their marimbas to worship Christ in a profoundly beautiful way.

We were welcomed by Jesus Perez Pardo (far left), as well as both the president of the Chiapas Pastor's Alliance and the president of the Tuxtla Gutierrez Pastor's Alliance.

Streams of people in the street welcomed us under a police escort in Tuxtla Gutierrez.

The people were so happy to see us. They handed us small tokens of appreciation.

People lined the streets for at least a mile and a half.

Believers from all across the state of Chiapas gathered, receiving the tremendous outpouring of God's glory!

**Partner,** I returned from this trip with great joy, knowing that Mexico will never be the same. The hunger and thirst of the people, their willingness to be raised up into a mighty force, and their humility to receive God's impartation was a wonder to behold. I don't have the words to express what God is doing through this dedicated people to spread the Gospel of Jesus Christ.

None of it could have been done without you. Theresa and I love you, and pray for you daily.  
**Thank you! Thank you! Thank you!**
